**2008**

**Participate in a (Marine) Rescue Operation  
THEORY ASSIGNMENT**

PASS MARK = 30

TOTAL MARKS AVAILABLE = 50

Pages in this Question Booklet = 5

With written tasks organise your assessment into a soft folder. Avoid using plastic sleeves, as your assessor needs to make marking notes and give you written feedback directly onto your work.

Ensure the number, assessment task title; your name is on the title page.

## 1. Prepare and respond to rescue

### Question 1 (5 Marks)

List five examples of the operational information a response team needs to gather at a call out.

---

---

---

---

---
